

## Supporting collecting and recycling

The Deutsche PVC-Recycling GmbH (DPR), as exclusive partner of the Germany of the European organisation Recovinyll, Brussels, supports collecting and recycling of Post-Consumer-PVC-waste out of non-law regulated waste streams.

Recovinyll is an initiative of Vinyl 2010, a voluntary commitment incurred by the entire PVC industry sector for sustainable development. DPR works in cooperation with Arbeitsgemeinschaft PVC und UMWELT e.V. (Working Group PVC and Environment), Bonn.
